

Friends and Family Sponsorship

The Acton-Boxborough Regional High School ('ABRHS') Performing Arts groups such as the Marching Colonials Band, the Madrigal Singers, the String Orchestra, as well as the many choirs and acapella groups perform throughout the year at competitions, parades, and festivals, some in state and some on an international level. To enable students to participate in these many musical events and exciting trips, the students can raise funds via the optional fundraising activities, where several of the activities contribute directly to the student's account.

The Acton-Boxborough Friends of Music ('ABFOM'), which is the parent booster association supporting the Performing Arts department does not make money on the student fundraisers, and we offer these opportunities solely for the students' benefit. Participation in these fundraisers is completely optional.

A new and very effective way for students to raise money is by acquiring sponsorships that can go directly toward the amount needed to be raised by the student. With a sponsorship via a friend, or family member, 100% of the money goes toward the student account, and they can use the funds as needed. Student account money carries over from year to year, and will be held for the student if they for example take a year off from the music program. If the student does not use their student account money by the time they graduate, however, they will lose it. We do allow siblings to pass on their student account funds to younger siblings.

If you would like to be a sponsor, please fill out the lower portion of this letter and return it with a check to the address listed below. Any amount will greatly benefit the student. Your donation will help our students achieve their musical goals. Thank you for your continued support!
